Allows Families to be Flexible and Go at Their Child's Pace

You're in complete control with Time4Learning! Choose lessons and set grade levels by subject, based on your child's skill level. Students can work independently, on their schedule, and at their own pace.

"Being on the autism spectrum is a challenge in itself, so the ability to create a lesson plan to suit my child's needs with simple navigation made our child's experience enjoyable and stress-free."
